

2015 WJCL League Application Notes:

(1) The WJCL Committee have decided that there will be no more than SIXTEEN teams in each age group.

(2) Due to the large number of one-sided games, the U13 and U15's will be seeded into TWO divisions. The seedings will be based upon a Club's past history at these age groups, also taking into consideration the strength of the upcoming side in the previous season. If you would like anything else taking into consideration, e.g. influx of new players, please state this to the junior secretary with your league application prior to the closing date.

(3) For 2015 there will be only ONE team allowed per age group from an individual club.

(4) Closing date for applications

The information should be returned no later than 10:00pm Saturday 13th December 2014. It will be assumed that Clubs, who do not return the form by this date, do not wish to enter a team in any of the junior age groups.

WJCL would kindly ask every club considers the following rules very carefully before committing to entering a team in any age group.

- A club entering a side within any age group and then withdrawing that side from that competition before the end of the season may be fined the sum of up to £50.
- Any club failing to fulfil a fixture shall be fined the sum of £10 and the match awarded to their opponents. Unless a satisfactory explanation meets with the acceptance of the junior committee.

After considering all of the above, please complete the attached form and email to wetherbyjuniorcricket@gmail.com no later than 10:00pm Saturday 13th December 2014.

Kind regards,

Raymond Budd
